Sir,

I have the honor to state that it is learned from Unofficial file No Ml 252 of 1927 received from the Secretary to Government, Development Department that education cess is being levied in the T.Narsipur Municipality, Mysore District. There is no information in this office so far about the levy of the cess, the rate at which it is levied, the income from this source and the objects on which it is being or is proposed to be expended The order of Government, if any, sanctioning the levy has not apparently being communicated to this offic I have the honor to request that, if there be no objection, the order may now be communicated to me. At the same time, as there are probably other cases of this nature, I request that a list of Municipalities in which the levy of education cess has been sanctioned with the information as to the rate at which the levy is sanctioned and the date from which it is sanctioned may be kindly furnished to me

I have the honor to be,
